

## Pre-Course Module (E-learning)

From pre to perioxigenation (Bibliography reading) .....	Milagros Garcia
Review of Difficult Airway Guidelines (Bibliography reading) .....	Helena Salgado, Ana Isabel Pereira

## Day 1 - 16<sup>th</sup> September

08:00 - 08:15	Reception .....	Faculty
08:15 - 08:45	Course preparation and Q&A from elearning module .....	Faculty
08:45 - 09:25	Awake videolaryngoscopy .....	Faculty
09:30 - 13:30	<b>4 Stations in rotation - Group 5 - 8</b> Plan A: Alternatives to 1st failed intubation Plan A: Laryngoscopes, Videolaryngoscopes Plan B: Supraglottic airway devices and intubation Plan C: Oxygenation and ventilation	<b>4 Station in rotation - Group 1 - 4</b> .....
		Faculty
11:20 - 11:35	Coffee-break	
13:30 - 14:25	Lunch	
14:30 - 18:30	<b>4 Station in rotation - Group 5 - 8</b> Flexible bronchoscopy I - oral and nasal Flexible bronchoscopy II - intubation through supraglottic airway devices Flexible bronchoscopy III - lung exclusion techniques Plan D: Emergency front of neck access (eFONA)	<b>4 Station in rotation - Group 1 - 4</b> .....
		Faculty
16:20 - 16:35	Coffee-break	

## Day 2 - 17<sup>th</sup> September

08:30 - 09:00	Extubation techniques in difficult airway patients .....	Patricia Santos
09:00 - 09:40	Artificial Intelligence in Airway Management: From Prediction to Practice .....	Faculty
09:45 - 13:30	<b>Simulation - Group 1 - 4</b> Simulation LAB - High fidelity simulation with difficult airway scenarios	<b>3 Stations in animal LAB - Group 5 - 8</b> .....
		Faculty
10:30 - 12:00	Coffee-break	
13:20 - 14:10	Lunch	
14:15 - 18:00	<b>3 Stations in animal LAB - Group 1 - 4</b> Flexible bronchoscopy Percutaneous Tracheostomy Cryothyrotomy	<b>Simulation - Group 5 - 8</b> .....
		Faculty
16:00 - 16:30	Coffee-break	

## Day 3 - 18<sup>th</sup> September

08:30 - 12:20	Simulation of the difficult airway - <b>Group 1 - 4</b> .....	Faculty
	Airway Ultrasound - <b>Group 1 - 4</b>	
	The airway of the tracheostomized patient - <b>Group 1 - 8</b> .....	Milagros García
10:15 - 10:30	Coffee-break	
12:20 - 13:30	Lunch	
13:35 - 17:25	Simulation of the difficult airway - <b>Group 5 - 8</b> .....	Faculty
	Airway Ultrasound - <b>Group 5 - 8</b>	
	Challenging Clinical Cases - <b>Group 1 - 8</b> .....	Faculty
17:25 - 18:30	Participants evaluation and Course evaluation. ....	Faculty
	Course closure
